CERTIFICATION OF LOCAL OPTION ELECTION PETITION

A Petition for a Local Option Election to Legalize "the legal sale of malt beverages and wine for off-premise consumption only" in Justice of the Peace Precinct No. 2 was issued on June 21, 2024 and was filed in the office of the County Elections Officer on July 11, 2024.

Pursuant to Section 501.032(a) of the Texas Election Code, a petition requesting a Local Option Election must contain signatures from 35 percent of the registered voters in the political subdivision who voted for governor in the most recent gubernatorial election. For this petition, 35% of the 723 persons who voted in the 2022 Gubernatorial Election would equal to **254** signatures.

Once the petition is filed, the Commissioners' Court must wait 30 days before taking action.

If the petition contains the required number of signatures, the Commissioners Court shall accept the petition and order a local option election to be held on the next uniform election date.

If the petition does not contain the required number of valid signatures, the Commissioners Court shall declare the petition is not valid, and no election will be ordered.

In accordance with Section 501.032 of the Texas Election Code, I hereby certify that the number of **valid** signatures on said Petition is **315** which is **61** signatures more than the required **254** signatures; and that the number of signatures is sufficient for the Commissioners Court to order an election on this issue.

Signed this 16th day of July, 2024 for submission on the Agenda of the August 12, 2024 Commissioners Court regular session.

ORDER TO ACCEPT PETITION

A Petition for a Local Option Election to Legalize "the legal sale of malt beverages and wine for off-premise consumption only" in Justice of the Peace Precinct No. 2 was issued on June 21, 2024 and was filed in the office of the County Elections Officer on July 11, 2024.

Pursuant to Section 501.032(a) of the Texas Election Code, a petition requesting a Local Option Election must contain signatures from 35 percent of the registered voters in the political subdivision who voted for governor in the most recent **gubernatorial** election. For this petition, 35% of the 723 persons who voted in the 2022 Gubernatorial Election would equal to **254** signatures.

Once the petition is filed, the Commissioners' Court must wait 30 days before taking action.

If the petition contains the required number of signatures, the Commissioners Court shall accept the petition and order a local option election to be held on the next uniform election date.

If the petition does not contain the required number of valid signatures, the Commissioners Court shall declare the petition is not valid, and no election will be ordered.

According to the "Certification of Signatures" submitted by the Voter Registrar/County Elections Officer, the number of **valid** signatures on said petition is **315** which is **61** signatures more than the required **254** signatures, making the number of signature **sufficient** for Commissioners Court to order an election on this issue.

Therefore, it is the action of the Marion County Commissioners' Court to accept the petition, and election will be ordered.

A copy of the petition and a copy of the Certification of Signatures will be recorded with this order.
