---	-------------

Exacom Proposed Solution Specific Notes:

1. This quote assumes all network, power, and audio connections to the EXACOM recorder will be provided by the customer prior to installation.
2. Playback workstation(s) will be provided by "the customer" as needed. Hindsight 4 web client can run on any approved workstation.

General Notes:

- This quotation is valid for 45 days.
- Prices are in US dollars, FOB Origin Manchester, NH.
- If shipping charges are not explicitly called out in this quote, Exacom will pay to ship all items and then add shipping charges as a separate line item on the invoice, unless otherwise listed on MPA.
- Customer is responsible for all customs and duties. All government tariffs, identified before and/or after the quote process and paid by Exacom will be passed onto the End Customer at cost, with no Exacom mark-up.
- Sales and Use Tax can only be waived if purchaser provides Exacom with a copy of their Tax Exemption Certificate prior to purchase.
- Customer is expected to renew ExaCare annually.
- Software patches and minor releases are only available with current and up-to-date support contract.
- Exacom offers the full level of ExaCare support for 6 years (based on ship date), after which hardware warranty support is no longer available. A hardware / software refresh must be purchased before the server has reached 6 years of age to continue the full level of ExaCare support.
- The HW/SW Refresh is available in year 6, based on ship date, and where ExaCare has been maintained each year prior and through the installation of the refresh.
- First year of ExaCare on new systems (refreshes excluded) starts on the ship date and ends 15 months later. For add-on software, ExaCare starts on the earlier of the date of install or 90 days after shipping and ends 1 year from start date.

Payment Terms: Net 20, Unless MPA on File

Ship Date: 30-45 Days ARO

Marion County is possibly looking to replace their HigherGround recorder. Vista Com is proposing the Eventide DX to record the following: (3) Grandstream GXP2160 IP phones via SPAN and no audio encryption, (2) Vesta IP 911s, (6) Motorola analog radios, QA, ANI/ALI. The quote reflects HGAC RP07-20.						
IMPORTANT NOTE This quotation does not include potential tariff costs, which may be applicable based on the importing country's trade policies and the value of the goods or services. These costs may increase the final price, and we will notify you of any such increases before the final.
