Good morning, Commissioner Lee ,

I have an area needing a private road assigned to it & was requesting that it be on the next commissioners court agenda . It is off Dusenburg S . It looks like it might have been a subdivision that was started and never finished . I am recommending that it is assigned 8729 unless you would like it to be another number . I attached an aerial view photo of the area for you to look at . I highlighted the roadbed in orange & My customer that is needing a new address I put a yellow X on the property . . If you have any questions, please feel free to call or email me . Thank you for your time & I hope you have a great day !

THANK YOU,

Jessica Cooks
