10. The Governmental Entity hereby takes on all rights and obligations of a Participating Subdivision as set forth in each of the Secondary Manufacturers' Settlements.
11. In connection with the releases provided for in each of the Secondary Manufacturers' Settlements, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims in each of the Secondary Manufacturers' Settlements, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in each of the Secondary Manufacturers' Settlements.

12. The Governmental Entity understands and acknowledges that each of the Secondary Manufacturers' Settlements is an independent agreement with its own terms and conditions. Nothing herein is intended to modify in any way the terms of any of the Secondary Manufacturers' Settlements, to which Governmental Entity hereby agrees, aside from the exceptions in paragraph 13 below. 13. For the avoidance of doubt, in the event that some but not all of the Secondary Manufacturers' Settlements proceed past their respective Reference Dates, all releases and other commitments or obligations shall become void *only as to* those Secondary Manufacturers' Settlements that fail to proceed past their Reference Dates. All releases and other commitments or obligations (including those contained in this Combined Participation Form) shall remain in full effect as to each Secondary Manufacturer's Settlement that proceeds past its Reference Date, and this Combined Participation Form need not be modified, returned, or destroyed as long as any Secondary Manufacturer's Settlement proceeds past its Reference Date.

I have all necessary power and authorization to execute this Combined Participation Form on behalf of the Governmental Entity.
