COMPREHENSIVE PLAN 2025 - 2045

CITY OF JEFFERSON

Steering our Past and Present
Into the Future

- **Infrastructure & Regional Access:**
The 2045 Plan prioritizes upgraded utilities, roads, and essential services—making this the ideal window to embed a hospital into Jefferson’s growth corridor and expand access for surrounding rural communities.
- **Public Health & Quality of Life:**
Establishing a local hospital fulfills the plan’s core livability and safety goals by improving emergency response, chronic-care continuity, and population-health resilience.
- **Economic & Workforce Impact:**
A hospital supports long-term economic stability by creating skilled jobs, anchoring new investment, and positioning Jefferson to capture ongoing state and federal rural-health funding streams.

Appendix

The City of Jefferson and Marion County stand at a pivotal moment where infrastructure renewal, economic revitalization, and community well-being intersect. A hospital is not simply a facility—it is the keystone that transforms Jefferson's 2045 vision from plan to practice. By anchoring healthcare access in the heart of this historic region, we ensure that growth is sustainable, families are secure, and every investment in roads, water, and technology culminates in the most critical outcome of all: a healthier, more resilient community.
