INTERLOCAL COOPERATION CONTRACT

I. CONTRACTING PARTIES AND AUTHORITY

The Department of Public Safety (DPS) and the Precinct 1 Justice Court of Marion County [City or County] are contracting under the authority of Texas Government Code Chapter 791 (the Interlocal Cooperation Act).

DPS certifies that it has the authority to contract for the Texas Conviction Reporting (TXCR) application by the authority granted in Tex. Transp. Code Chapter 543, Subchapter C.

II. BACKGROUND AND PURPOSE

DPS is legislatively required to apply all court-reported convictions to a driver record within seven days of the final disposition of conviction. Texas courts send more than 180,000 conviction records monthly. To secure personally identifiable information (PII) of drivers who are convicted in Texas courts, DPS developed a secure web-based application for Texas courts to submit electronic convictions onto a Texas driver's record and eliminate mailed or unsecured upload of conviction records.

Furthermore, DPS and Federal Motor Carrier Safety Administration's (FMCSA) common goal is to ensure and improve public safety by reducing crashes, injuries, and fatalities involving Commercial Motor Vehicles (CMV). One of the components of this effort is the appropriate and timely reporting of moving violation convictions for Commercial Driver License (CDL) holders and operators of CMVs. For DPS to be successful in its endeavor to bolster the foundation and support the priorities of the CDL program, it must have the proper tools to accomplish these goals.

III. STATEMENT OF SERVICES

DPS responsibilities are as follows.

- Provide access to the TXCR over the internet from a publicly accessible site based on authorized access granted by DPS to Court reporting personnel.
- Ensure the TXCR site is secure and meets Criminal Justice Information System (CJIS) security requirements as defined by the Federal Bureau of Investigation (FBI).
- Allow submission of convictions individually using a web-form that matches the bulk file format for ease of entry. Bulk file format will be provided to Court.
- TXCR will validate conviction data prior to inclusion to the driver's record and if data cannot be validated, will reject the submission with an opportunity for Court to correct and resubmit.
- Provide historical reports for Court to assist with timely reporting, reducing rejects and ensuring accuracy of conviction reporting.
- Provide training to Court, and include training materials and procedures on the TXCR site for 24/7 access by Court.
- TXCR Contractor will assist Court users by providing a toll-free telephone number and email, Monday through Friday from 7:00am to 8:00pm, except holidays.

Court responsibilities are as follows.

- Do not share the TXCR site information with unauthorized persons.
- Have only two authorized court personnel with access to TXCR, unless additional personnel are authorized by DPS based on business need.
- Authorized users must use Multi-Factor Authentication (MFA) to access TXCR and will be required to download an application to a cell phone to receive the MFA code before access is granted.
- Must use TXCR to upload individual convictions using a web-form or bulk upload of convictions in a pre-defined format approved by DPS. Paper forms will not be accepted.
- Must notify DPS immediately upon termination or resignation of an authorized user to allow DPS disable the account and prevent unauthorized use of TXCR.
- Submit conviction reports to TXCR within seven days from the date of conviction in compliance with Tex. Transp. Code Chapter 543, Section 543.203.

IV. CONTRACT AMOUNT AND BASIS FOR CALCULATING COSTS

DPS will provide TXCR to Court at no cost.

V. TERM OF CONTRACT AND AMENDMENTS
